

CROWNWeb 4.0.5 Errors to Warnings 11-20-2012

The Error Codes below were set up as "errors" in CROWNWeb between the dates of November 16 - November 20, 2012. For files that received Deferred Responses containing these error codes during this time, they were rejected and need to be resubmitted.

On November 21, 2012 CROWNWeb converted the errors to "warnings" so files receiving these data error codes in Deferred Responses from this time forward may be ignored because the file data was recorded to the CROWNWeb repository.

| Error Code | Error Message | Type |
|------------|---|----------|
| 204 | Admission process cancelled, Patient is already admitted to current facility. | Patient |
| 12836 | Non-Oral Vitamin D Analog Dosage cannot be populated when Non-Oral Vitamin D Analog Prescribed is set to 'False'. | Clinical |
| 12893 | The value provided for Site of Dialysis Access Infection is not an acceptable value for an HD Patient. | Clinical |
| 12894 | The value provided for Site of Dialysis Access Infection is not an acceptable value for a PD Patient. | Clinical |
| 20026 | Antibiotic Therapy was not Prescribed, Signs of Soft Tissue Infection should not be provided. | Clinical |
| 20027 | Antibiotic Therapy was not Prescribed, Blood Culture Result should not be provided. | Clinical |
| 20028 | Antibiotic Therapy was not Prescribed, Infection Requires Hospitalization should not be provided. | Clinical |
| 20029 | Antibiotic Therapy was not Prescribed, Symptoms of Clinical Sepsis should not be provided. | Clinical |
| 20030 | Antibiotic Therapy was not Prescribed, Antibiotic Name should not be provided. | Clinical |
| 20031 | Antibiotic Therapy was not Prescribed, Date Antibiotic Prescribed should not be provided. | Clinical |
| 20032 | Antibiotic Therapy was not Prescribed, Antibiotic Dose should not be provided. | Clinical |
| 20033 | Antibiotic Therapy was not Prescribed, Antibiotic Dose Measure should not be provided. | Clinical |
| 20034 | Antibiotic Therapy was not Prescribed, Antibiotic Frequency should not be provided. | Clinical |
| 20035 | Antibiotic Therapy was not Prescribed, Antibiotic Route should not be provided. | Clinical |
